IMANI HOUSING CO-OPERATIVE LIMITED
REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2022

The Management Committee presents its report and the audited financial statements for the year ended 31 March 2022

Principal Activities

The principal activity of the Imani Housing Co-operative is to provide social housing.

Review the Results

The Committee commissioned a five-year business plan. The business plan focused on the future developments and capacity building. The plan also reviewed and set out strategy for cost effective management of our existing stock.

The Co-Operative generated a surplus in the year of £116,792, compared to £107,797 in 2021, increasing total capital and reserves to £2,134,935 compared to £2,018,143 in 2021.

In 2022 in addition to Statement of Comprehensive Income expenditure on repairs, £38,222 was re-invested on component replacements to existing properties

There were no post balance sheet events. The Co-operative undertakes no research and development. There have been no significant differences in the market value of interests or land in the hands of the Co-operative

No change in arrangements during the year. Each member, including the Management Committee members, holds one fully paid £1 share in the Co-operative. There are no directors' share options nor has there been any acquisition of the company's own shares. The Co-operative does not issue shares other than the nominal non-refundable £1 shares. The Co-operative has made no political or charitable gifts during the year. The Co-operative employs less than 250 staff members. Creditors are paid within 30 days unless there is a dispute.

Value for money

The Co-operative aims to deliver value for money to maximise its investment potential and ensure that it provides its customers with high quality homes and services. In line with its charitable aims, the surplus generated from housing management activities is reinvested into projects and services that benefit its communities. The Management Committee has set a target for 2020/21 of achieving, or working towards, a continuous improvement in all its key operational indicators.

The regulator has recently issued value for money metrics to ensure performance to be measured consistently for each Registered Provider. We have adopted these which are reported below:

Indicator	2022	2021	Commentary
Reinvestment in development and capital works	0.97%	0.62%	No acquisition of stock which were under our management, only works to existing properties
New supply delivered (Social housing units)	0.00%	0.00%	No change to total stock in the year
New supply delivered (Non-social housing units)	-	-	No change to total stock in the year
Gearing	(17.51%)	(14.93%)	This is due to an increase in already significant cash holdings compared to the loans held
Interest cover including capitalised repairs (EBITDA-MRI)	967.57%	819.23%	The increase in interest cover is due to the decrease in Capitalised Major Repairs and a decrease in interest payable
Social housing cost per unit	£6,205.31	£6,356.59	Decreased costs in management in the year and Major Repairs
Operating margin (Social housing lettings)	25.20%	24.88%	Operating margin is slightly higher than the previous year due to a lower operating surplus, but still comparable
Operating margin (overall)	25.20%	24.88%	
Return on capital employed	2.70%	2.71%	ROCE is comparable to the previous year.

IMANI HOUSING CO-OPERATIVE LIMITED
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2022

Principal Risks and Uncertainties

This is a Fully Mutual Co-operative, and all tenants are members who have full and complete control of every aspect of management and repair of the properties in which they reside. The members have full control over the rent they pay in order to maintain their properties with the only caveat being that the quality of the houses and homes are maintained to a high standard which results in an overall increase in quality of the components and planned to ensure that the properties will remain in good condition for the indefinite future.

A full budget is considered each year identifying each components including the basic fabric of the houses, the life of the components, the costs of replacing that component, the current age of the component and thus the total amount that needs to be set aside to carry out the replacement of that components when it becomes due for replacement. The impact of COVID has been considered and the risks that the pandemic has imposed.

Compliance with Governance and Financial Viability Standard

The Management Committee confirms that the Co-operative has met the Regulator of Social Housing's regulatory expectations in the governance and financial viability standard.

The organisation adopted the NHF Code of Governance 2020 and is working towards full compliance by March 2023.

Statement on the Co-Operatives' Systems of Internal Financial Controls

The Management Committee acknowledges its ultimate responsibility for the Co-operative's system of internal control, and for ensuring that the Co-operative has in place systems of internal control where the extent and formality of individual controls should relate to the risks incurred, whilst recognising that such systems can only provide reasonable and not absolute assurance against material misstatement or loss. Key elements of fulfilment of this responsibility include:

- The establishment of formal policies and procedures covering the prime processes of the Co-operative. These include a formal fraud policy, which is reviewed, updated, and promulgated to all staff on a regular basis.
- Implementation of financial regulations and delegated authorities designed to ensure that assets are safeguarded against unauthorised use or disposition, and that proper accounting records are maintained.
- The appointment of experienced and suitably qualified staff to take responsibility for business functions, and an appropriate organisational structure.
- The production and review of appropriate and reliable financial management information for use within the Co-operative or for publication, covering the monitoring of the Co-operative's financial performance and cash flows against approved short- and long-term plans, with analysis of material variances
- Assessment and approval of new activities and investment decisions, through decision making levels appropriate to the level of value and risk, as defined in the financial regulations and delegated authority procedures
- Monitoring by the Management Committee of the reports of the external auditors to provide reasonable assurance that control procedures are in place and are being followed. Formal procedures have been established for instituting appropriate action to correct weaknesses and respond to recommendations for improvement from these reports.

These processes of internal control are reviewed on an ongoing basis.

The Management Committee has reviewed the effectiveness of the systems of internal control in existence in the Co-Operative for the year ended 31 March 2022 and until the date of approval of these financial statements.

Public Benefit Entity

As a public benefit entity, Imani Housing Co-operative has applied the public benefit entity 'PBE' prefixed paragraphs of FRS 102.

Going Concern

The Management Committee have reviewed future forecasts and are satisfied the Co-operative is a going concern. Accordingly, the accounts have been prepared on the going concern basis.

IMANI HOUSING CO-OPERATIVE LIMITED
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2022

Statement of the Management Committee's Responsibilities

The Committee is responsible for preparing the report and financial statements in accordance with applicable law and regulation

The Co-operative and Community Benefit Societies Act 2014 and registered social housing legislation require the Management Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Co-operative and of its income and expenditure for that period

In preparing these financial statements, the Management Committee is required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Co-operative will continue in business

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Co-operative and enable it to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2019. It has general responsibility for taking reasonable steps to safeguard the assets of the Co-operative and to prevent and detect fraud and other irregularities

Information For Auditors

We the members of the Management Committee who held office at the date of approval of these Financial Statements as set out above confirm, so far as we are aware, that there is no relevant audit information of which the Co-operative's auditors are unaware, and we have taken all the steps that we ought to have taken as Management Committee members to make ourselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Appointment of Auditors

Beever and Struthers have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the Annual General Meeting

Approved on behalf of the Management Committee

Khalid Mair
Chair

Date: 28th September 2022

IMANI HOUSING CO-OPERATIVE LIMITED
REPORT OF THE INDEPENDENT AUDITORS
FOR THE YEAR ENDED 31 MARCH 2022

Opinion

We have audited the financial statements of Imani Housing Co-operative Limited (the Co-operative) for the year ended 31 March 2022 which comprise the Co-operative Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity (Reserves), Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies in note 1. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice)

In our opinion, the financial statements:

- give a true and fair view of the state of the Co-operative's affairs as at 31 March 2022 and of the Co-operative's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Co-operative in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Co-operative's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Strategic Report, other than the financial statements and our auditor's report thereon. The Management Committee is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

IMANI HOUSING CO-OPERATIVE LIMITED
REPORT OF THE INDEPENDENT AUDITORS
FOR THE YEAR ENDED 31 MARCH 2022

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 or the Housing and Regeneration Act 2008 requires us to report to you if, in our opinion

- the Co-operative has not maintained a satisfactory system of control over transactions; or
- the Co-operative has not kept adequate accounting records; or
- the Co-operative's financial statements are not in agreement with books of account; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Committee

As explained more fully in the Statement of Management Committee's Responsibilities set out on page 4, the Management Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Co-operative's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Co-operative or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's web-site at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and addressing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We obtained an understanding of laws and regulations that affect the Co-operative, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Co-operative and Community Benefit Societies Act, the Statement of Recommended Practice for registered housing providers: Housing SORP 2018, the Housing and Regeneration Act 2008, the Accounting Direction for Private Registered Providers of Social Housing 2019, tax legislation, health and safety legislation, and employment legislation.
- We enquired of the Management Committee and reviewed correspondence and Management Committee meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the Management Committee have in place, where necessary, to ensure compliance.
- We gained an understanding of the controls that the Management Committee have in place to prevent and detect fraud. We enquired of the trustees about any incidences of fraud that had taken place during the accounting period.
- The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks. We identified the potential for fraud in the following areas: laws related to the construction and provision of social housing recognising the nature of the Co-operative's activities and the regulated nature of the Co-operative's activities.

IMANI HOUSING CO-OPERATIVE LIMITED
REPORT OF THE INDEPENDENT AUDITORS
FOR THE YEAR ENDED 31 MARCH 2022

- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above
- We enquired of the Management Committee about actual and potential litigation and claims.
- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias.

Extent to which the audit was considered capable of detecting irregularities, including fraud (continued)

Due to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing fraud or non-compliance with laws and regulations and cannot be expected to detect all fraud and non-compliance with laws and regulations.

Use of our report

This report is made solely to the Co-operative, in accordance with section 87 of the Co-operative and Community Benefit Societies Act 2014 and Section 128 of the Housing and Regeneration Act 2008. Our audit work has been undertaken so that we might state to the Co-operative's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Co-operative and the Co-operative's members for our audit work, for this report, or for the opinions we have formed.

IMANI HOUSING CO-OPERATIVE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

LEGAL STATUS

Imani Housing Co-operative Limited is incorporated in England under the Co-operative and Community Benefit Societies Act 2014 registration number 249149R and is registered with the Regulator of Social Housing as a Private Registered Provider of Social Housing registration number C3755. The registered office is 17A Seely Road, London, SW17 9QP.

1 PRINCIPAL ACCOUNTING POLICIES

The Co-operative's financial statements have been prepared in accordance with applicable United Kingdom Accounting Generally Accepted Accounting Practice (UK GAAP) and the Statement of Recommended Practice for registered housing providers: Housing SORP 2018.

Basis of Accounting

The financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2019. The accounts are prepared on the historical cost basis of accounting and are presented in sterling £.

The Co-operative's financial statements have been prepared in compliance with FRS 102. The Co-operative transitioned from previous UK GAAP to FRS 102 as at 1 January 2015.

As a public benefit entity, Imani Housing Co Operative Limited, has applied the public benefit entity 'PBE' prefixed paragraphs of FRS 102.

Going concern

The Co-operative's financial statements have been prepared on a going concern basis which assumes an ability to continue operating for the foreseeable future. The Management Committee have considered the impact of macro-economic conditions on its operations and have concluded that there is a reasonable expectation that the Co-operative has adequate resources to continue in operational existence for the foreseeable future. No significant concerns have been noted and we consider it appropriate to continue to prepare the financial statements on a going concern basis.

Turnover and revenue recognition

Turnover represents rental income receivable, service charges, amortised capital grants and amounts invoiced in respect of the provision of services. Service charges are accounted for on a fixed service charge basis.

Rental income is recognised when the property is available for let, net of voids.

IMANI HOUSING CO-OPERATIVE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 PRINCIPAL ACCOUNTING POLICIES (continued)

Housing properties

Tangible fixed assets are stated at cost, less accumulated depreciation. Donated land/assets or assets acquired at below market value from a government source, i.e., local authority, are included as a liability in the Statement of Financial Position at the fair value less consideration paid.

Freehold land is not depreciated. Leasehold land is depreciated over the lease term.

Where a housing property comprises two or more major components with substantially different useful economic lives (UELs), each component is accounted for separately and depreciated over its individual UEL. Expenditure relating to subsequent replacement or renewal of components is capitalised as incurred.

The Co-operative depreciates freehold housing properties by component on a straight-line basis over the estimated UELs of the component categories. The following UEL's applied are as follows:

Structure	100 years
Roof	70 years
Windows	30 years
Kitchen	20 years
Bathroom	30 years
Boiler	15 years
Electrical	40 years
Mechanical	30 years

Other fixed assets

Depreciation is charged on other tangible fixed assets on a straight-line basis over the expected economic useful lives of the assets at the following annual rates:

Equipment, Fixtures and Furniture	5 years
Computer & IT Equipment	3 years

Social Housing and other government grants

Where developments have been financed wholly or partly by social housing and other grants, the amount of the grant received has been included as deferred income and recognised in Turnover over the estimated useful life of the associated asset structure (not land), under the accruals model. SHG received for items of cost written off in the Statement of Comprehensive Income Account is included as part of Turnover.

SHG must be recycled by the Co-operative under certain conditions, if a property is sold, or if another relevant event takes place. In these cases, the SHG can be used for projects approved by the Regulator of Social Housing and Greater London Authority. However, SHG may have to be repaid if certain conditions are not met. If grant is not required to be recycled or repaid, any unamortised grant is recognised as Turnover. In certain circumstances, SHG may be repayable, and, in that event, is a subordinated unsecured repayable debt.

Provisions

The Co-operative only provides for contractual liabilities.

IMANI HOUSING CO-OPERATIVE LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1 PRINCIPAL ACCOUNTING POLICIES (continued)

Capitalisation of Interest and Administration Costs

Interest on the mortgage loan financing a development is capitalised up to the date of the completion of the scheme. Administration costs relating to development activities are capitalised based on an apportionment of the management time spent on this activity.

VAT

The Co-operative is not registered for VAT. All amounts disclosed in the accounts are inclusive of VAT.

Taxation

As a fully mutual Housing Co-operative, its mutual trading activities are exempt from Corporation Tax as per s.642 of the Corporation Tax Act 2010 except that of its investment income received on which it is liable to Corporation Tax.

Financial Instruments

Financial instruments such as loans, accounts payables, accounts receivables and cash are classified either as basic or complex. All financial instruments are initially measured at their fair values at the time the transactions occur. Subsequently all basic instruments are measured at amortised cost and all complex financial instruments are measured at a fair value through the comprehensive income.

Financial instruments held by the Co-operative are classified as follows:

- Cash is held at cost.
- Financial assets such as current asset investments and receivables are classified as cash and receivables and held at amortised cost using the effective interest method.
- Financial liabilities such as bonds and loans are held at amortised cost using the effective interest method.

IMANI HOUSING CO-OPERATIVE LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1 PRINCIPAL ACCOUNTING POLICIES (continued)

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the Statement of Financial Position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

- a. Categorisation of housing properties. The Co-operative has undertaken a detailed review of the intended use of all housing properties. In determining the intended use, the Co-operative has considered if the asset is held for social benefit or to earn commercial rentals.
- b. Impairment. The Co-operative has identified a cash generating unit for impairment assessment purposes at a property scheme level.

Other key sources of estimation and assumptions:

- a. Tangible fixed assets. Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.
